

Specializing in Organic and All Natural Snacks

We offer a full line of products for Branded, Private Label, Co-Packing and Food Service. Let PCF show you how to become profitable in this expanding market. These are just a few of the products we offer.

Corn Tortilla Chips

Offering Organic and All Natural varieties. Our Corn Tortilla Chips are made in authentic cooking style using stone ground process to capture the pure taste. Choose from White, Yellow and Blue Corn Chips, in all shapes and flavors.

Baked Chips

Offering Organic and All Natural varieties. Our Baked Chips provide a healthier version of the traditional style tortilla chip. Available in Yellow and Blue corn with specialty shapes and flavors.

Pita Chips

Made from real pita bread, then baked to perfection and offering an All Natural Item that is less greasy and much more healthier than potato chips. These thicker and crunchier chips than traditional tortilla chips are excellent snacks for any occasion. Offering numerous flavors

Taco Shells

Organic and Natural, these are great for retail and food service. Our Taco and Tostada shells are made from QAI certified Organic corn and fried in non-hydrogenated oil; all-natural ingredients are combined to make a mouth-watering platform for your favorite toppings. Available in Yellow and Blue Corn.

Corn Tortillas

Made in our traditional and authentic style using stone ground masa for the freshest taste. Choose either the organic or conventional tortillas. Perfect for retail, private label, branded or food service.
